NEED HELP DOING BUSINESS IN EUROPE?

Enterprise Europe Network is the European Commission's **official business gateway** to SMEs, and is the largest network of its kind in the world.

Enterprise Europe offers **support** and **advice** to businesses across Europe to help you make the most of the business opportunities across the European Community and beyond.

Enterprise Europe Network consists of over **500 partner organisations** in more than **40 countries**, promoting **competitiveness** and **innovation** at a local and national level.

Enterprise Europe West Midlands provides the following FREE services:

- ★ Information and advice on **EU Legislation, Regulation and Policy**
- ★ Information and assistance concerning **EU Funding Programmes** and initiatives
- ★ Bulletins and promotion of **Europe-wide public sector calls to tender and calls for proposal**
- ★ **Promoting businesses** and their **products/services** across the entire **Enterprise Europe Network** in order to identify business partners, distributors and joint venture opportunities trans-nationally
- ★ **Business-partnership facilitation** across all EU member states, candidate states and a selection of third countries
- ★ **Signposting** of businesses to relevant sources of **EU information, expertise and assistance** ensuring clients' needs are fulfilled in accordance with Enterprise Europe's '**no wrong door**' policy
- ★ Regular **e-bulletins** and **newsletters** to keep businesses updated on current **EU topics, developments and business opportunities**
- ★ Information and access to hundreds of Europe-wide **business-to-business events and trade fairs**
- ★ Access to local knowledge and information provided through **500 Enterprise Europe Network offices in 40 countries**
