## The Business Cooperation Database

If you are looking to develop **new business partnerships** or engage in **joint-venture opportunities** with other European companies then **Enterprise Europe West Midlands** can assist you.

With over **500 offices** in **40 countries** Enterprise Europe Network is the largest network of its kind in Europe, working directly with European SMEs to facilitate business collaboration.

Enterprise Europe Network utilises a **Business Cooperation Database (BCD)** to identify and foster trans-national business cooperation amongst companies throughout Europe and beyond. Covering a wide range of partnership opportunities.

The following types of cooperation can all be facilitated through the **Business Cooperation Database**:

Agents / Distributors / Suppliers

Franchise

Joint Venture

Merger or exchange of shares

Sale or acquisition of a complete company or part of it

Reciprocal production

Subcontracting / Outsourcing activities

Transport / Logistics

If you would like to **register your company** on the Business Cooperation Database, it is as simple as filling out a registration form. Once we have received your completed form, we can search the database for companies that may be of interest to you, and also promote your profile to **potential business partners** through our offices in the countries which you are looking at.
